COLUMBUS, Ohio – A large-scale narcotics trafficker was sentenced in U.S. District Court today to 108 months in prison for drug and gun crimes and wire fraud.

Dylan D. Polk, 31, of Grove City, was charged federally in October 2022.

Polk, who is also known as “Dunk,” pleaded guilty the evening before his jury trial was scheduled to begin in October 2023.

According to court documents, in October 2022, federal agents executed a search warrant at a property associated with Polk. During the search, they discovered more than a kilogram of fentanyl and a bulk amount of cocaine. Investigators also discovered five firearms, including a converted Glock-pistol fully automatic weapon and an AR style rifle.

As a previously convicted felon, Polk was prohibited from possessing firearms or ammunition.

Additionally, Polk committed fraud related to employment assistance and pandemic relief assistance. He fraudulently collected public employment assistance funds although he was not working. Specifically, Polk reported income from Our Lady of America Farms in 2020; however, records indicate that company was dissolved in 2018. Polk also claimed to be a barber for three years and, in 2020, received more than \$12,000 in pandemic unemployment assistance. Polk was incarcerated from 2016 until 2020 and not employed.

Kenneth L. Parker, United States Attorney for the Southern District of Ohio; Daryl S. McCormick, Special Agent in Charge, U.S. Bureau of Alcohol, Tobacco, Firearms &

Explosives (ATF); and the Department of Labor Office of Inspector General announced the sentence imposed today by Chief U.S. District Court Judge Algenon L. Marbley. Assistant United States Attorneys Timothy D. Prichard and S. Courter Shimeall are representing the United States in this case.
