FROM: CAROLYN R. HANTZ

SUBJECT: Risk Assessment of the U.S. Department of Labor's  
Charge Card Programs,  
Project No. 22-P24-007-50-598

Please be advised the Office of Inspector General has contracted with the independent certified public accounting firm KPMG LLP to conduct a risk assessment of the U.S. Department of Labor's charge card programs per the Government Charge Card Abuse Prevention Act of 2012. The act requires the OIG to perform periodic risk assessments of agency's purchase cards, combined integrated card programs, and travel card programs to analyze the risks of illegal, improper, or erroneous purchases.

We will contact your audit liaison to schedule an entrance conference to discuss the risk assessment's objective, scope, methodology, and timeframes. We plan to begin work immediately after the meeting and would appreciate you notifying appropriate agency officials of our plans.

If you have questions, please contact Sean Gilkerson, Audit Director, by email at [gilkerson.sean@oig.dol.gov](mailto:gilkerson.sean@oig.dol.gov).
