SUBJECT: Audit of the U.S. Department of Labor's Information
Sharing with Non-Governmental Entities,
Project No. 09-P25-002-08-001

Please be advised the Office of Inspector General is initiating an audit to review how the U.S. Department of Labor has shared investigative information with non-governmental entities involved in class action litigation and the extent of any related controls. Our work will primarily focus on activities involving the Office of the Solicitor (SOL), the Employee Benefits Security Administration (EBSA), and the Wage and Hour Division (WHD).

We will soon contact the audit liaisons for SOL, EBSA, and WHD to schedule an entrance conference to discuss the audit's objective, scope, and methodology. We plan to begin work immediately following our meeting and would appreciate your notifying the appropriate agency officials of our plans.
