Dear Mr. Klutts:

This final report (24-13-004-03-360) transmits the results of a Quality Control Review (QCR) the U.S. Department of Labor's Office of Inspector General conducted on the following audit performed by BDO USA, LLP under the Federal Single Audit Act and Office of Management and Budget Circular A-133:

Single Audit of Experience Works, Inc. for the Year Ended
June 30, 2012

We conducted the QCR to determine if: (1) the audit was conducted in accordance with applicable standards and met the single audit requirements, (2) any issues required management's attention, and (3) follow-up work was needed.

Per the table below, we included the following major program in our review.

DOL Major Program Reviewed	Catalog of Federal Domestic Assistance Number	DOL Funds Expended
Senior Community Service Employment Program	17.235	\$121,206,602

We determined the accounting firm performed acceptable audit work and met the requirements of the Federal Single Audit Act and Office of Management and Budget Circular A-133. We also determined no issues required your attention and no follow-up work was needed.

If you have any questions concerning the results of the QCR, please contact Melvin Reid, Director, Office of Audit Quality Assurance, at (202) 693-6993.

Sincerely,
